

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	<p>Welcome to school: Pupils take tours of the school building and grounds. Children take photographs of areas in school that they will get to visit regularly.</p> <p>Exploring Thorney – Pupils go on a local walk to look for different features within the community, they will also visit Thorney Abbey.</p> <p>Comparing Thorney to places around the world that celebrate Diwali. Look for simple similarities and differences between these places.</p>		<p>Chinese New Year: Look at photographs of own houses and describe what they look like and are made of. Compare each other's homes using correct vocabulary such as semi-detached etc. Compare photographs of buildings in Thorney with buildings in China.</p>		<p>Our school: Creating messy maps of our school building, plotting important locations both inside and outside.</p> <p>Holidays in different countries – children look at holiday photographs from places they have visited. Large world maps studied and pin points made to places visited by pupils in the class. Compare differences between the different places visited.</p>
